LOGAN WILLICK

Logan began dancing at the age of two in Niagara Falls, ON. At the age of twelve she was enrolled in a pre-professional dance program where she strictly studied ballet, pointe, jazz, tap, lyrical, contemporary, and modern. She studied and obtained Honours in several Tap and Jazz examinations administered by the Canadian Dance Teacher's Association, along with all of her Cecchetti Ballet examinations. Alongside studying Business at Niagara College post-secondary, she also began teaching dance and choreographing for studios around the region.

Logan has achieved significant success in both dance performance and choreography, garnering many awards for choreography, overall achievement, and standout performances in various styles.

LOGAN ENCOURAGES DANCERS TO PUSH PAST CONVENTIONAL THINKING WITHIN HER CLASSES, HELPING DANCERS TO UNLOCK DEEPER LEVELS OF CREATIVITY WITHIN THEMSELVES. SHE IS THE GREATEST SUPPORTER TO ANY AND ALL DANCERS SHE HAS HAD THE PLEASURE OF TRAINING, AND SHE LOVES TO WATCH HER DANCERS FLOURISH PAST WHAT THEY THOUGHT WAS POSSIBLE

LOGAN WILICK

During her competitive dance career, Logan was awarded her first choreographer's award at the age of 16, which is where her spark for choreography really ignited. She was deemed the top Senior and Overall Dancer 2017 by the Canadian Dance Teacher's Association. And in 2022, she was on the Team Canada Ballet/Modern/Jazz Team.

This month, Logan is working to obtain her Adjudication Certification through the Professional Adjudicator's Alliance. She is also beginning training to work towards her Teacher Qualifying Examinations in Cecchetti Ballet.
